

Guide #10: Visit the Workplace

Print this sheet and complete it as you go through the lesson. Save this information...it holds some of your clues to career success.

Workplace Visit

What local business would you like to visit? _____

Once you decide on a company, answer these questions to prepare for your workplace tour:

What are three different ways you can try to connect with this company?	What do you expect to learn on the tour?	How will you benefit from the tour?	How will the company benefit from the tour?

2.			
3.			

Schedule at least one workplace visit and record what you learned from the experience. _____

Although this is a much more comprehensive and personalized approach, look at how Vocation Vacations encourages people to “test drive” a career.
